

STINGER

Dear Mary Ann,

I have been great knowing you through these years. I remember when we used to play "pop the whip" in the fifth grade, you always had to be on the end. I want to wish you the best of luck in the future.

Love ya
Walter Kay

Mary Ann,
Since returning to Wayne in the 7th grade you have always been an admirable friend, helpful, witty, and wonderful. You are truly talented and will be a grand success in sure. Good luck with your future plans and in everything you undertake.

Picky Palmer

Mary Anne,
You sure can drive good side ways. Friends all I hope.

ooter
P.S. I sure would hate to have you for an enemy.

Mary Ann,
Best of luck in everything. May we always be friends.
Jooter Death

Mary Ann
It has been fun knowing a pretty blonda as you are. When I'm a senior I hope you are. Best of luck and sweet as you are. Years to come a friend always I cannie Light

Dedication

"A teacher," wrote Henry Adams, "affects eternity; he can never tell where his influence stops."

As teacher of American history, government, and speech, Mrs. Robert Dillport has given us understanding of and appreciation for our country's past; she has taught us to realize the potential of our voices as instruments of communication. Surely these things we have learned from her will be imparted by us to many generations yet to come.

To her - in respect, admiration, and appreciation - we dedicate the STINGER, 1963.

Mary Anne,
I will never forget
the times we
spent in fun together.
I enjoyed every minute of
it. I will never forget all
the funking parties and such that
we have had. (I know I can't write
as big as you can, but that doesn't stop
me from saying as much) I don't think
I will ever forget the fun we have had in every
car. I can't believe we are Seniors at last. But to
we won't part friendship just because we will part to
to collect! Best I luck to one of the sweetest girls and
friends a guy could have. Happy A. State Days!
Love ya,

Dear Mary Anne,

Well, it looks like the time
has come. There are so many things
I could write about but I'll never
forget the trip to Memphis bunkin
parties, and just all of us being
together. I will never forget you
and your forgetfulness in Hot
Springs. Please when you go to college
remember to wear your skirt! Please
come to see me after I am married. Best
wishes always to a very sweet

Dear Mom & Dad,

Well, this is the last year. I can't believe we'll all be separated. I could cry everytime I think about it.

I'll always remember our wild "Bunker parties" at your house. Especially the one that Seaton + I spent the night in Kathy Branches car.

All we have left now is the play, getting our invitations, and practicing for graduation (almost forgot the Senior day Program & Senior Party)

Even though a good looking blonde like you don't need it I'm going to wish you the best of luck always.

Love Ya,
Lynlis L.

Mary Ann:
Our Senior year has certainly been a great one. I sincerely hope you don't forget the fond memories to offer you a good time and happy graduation. Best wishes! Good luck!
Let's see, there is also a Senior B. 62-63

To a very sweet and pretty girl. I've enjoyed being in Home Ec class with you the past two years. You've made it "bearable" at least. I wish you all the happiness in the world for you certainly deserve it.

Love ya

Wishing you lots of luck to the sweetest girl in W.H.S. I will never forget all the great times we have had together. Remember all the trips back-and-forth from your house to mine? I'll never forget them. And all the many trips to Memphis, all the one way streets and getting lost. So many funny times!

Next year you won't be out of sight but not out of mind. Stay as sweet and as darling as you are now and you'll be a great hit at A.S.C. I'll come to see you when I come home (you lucky dog).

Thanks for listening to all my problems. I don't know what I would have done without you should to cry or! (I have really had the problems, haven't I?)

Well, the time has finally come for us to leave. The only hard thing about graduating is leaving your friends and the ones you love. Whenever you are, remember I'm thinking about you.

I D. so see you
hope the
wedding
is a day

Love up!
